

7 April 2016

2016 Australian HealthFusion Team Challenge

The HealthFusion Project Team this morning announced the **2016 Australian HealthFusion Team Challenge** for tertiary students will be hosted at the Queensland University of Technology, Brisbane, on Monday October 24.

Universities across Australia and New Zealand are invited to [register their interest](#) in submitting an interprofessional team of four to six health sciences students to this year's event.

Student Organisations and International Universities are also invited to register their interest as a "Wild Card" team.

Team registration fees for 2016 remain at \$1000.00 (including GST). Fees contribute to the overall running of the HealthFusion event annually, including venue hire, catering, photography and prizes.

2016 Key Dates

- Registration closes: 2 Sept
- Case Study is released to the teams: 23 Sept
- Team fees payable: 17 Oct
- Event Day: 24 Oct
